

13/01/11 The water receding...

This is usually a big clear area at the front of the warehouse...

We had to clear the aisles but the floors are wet and covered in slippery mud...

Where do we begin?

Saturday 15/01/11

We are overwhelmed by the sheer size of the task...

Sunday 16/01/11

Sunday Muddy Sunday and the volunteers arrive!!!

Who could have believed how many wonderful people would come out to help strangers in need? Without their willing hands and smiling faces I believe we would still be knee deep in mud.

We will be forever grateful for the caring help so selflessly given.

Growing pile of rubbish in the car park...

This has all come from one warehouse.

Across Brisbane this scene is repeated over and over again

“Chinese saying: water brings money so I would expect that you are having a good start for 2011.”

I have not dared to ask this good lady what the Chinese have to say about mud!
